of Certified Actual Costs Associated with the
Houston County 911 Emergency Telephone
Services System

ISSUE DATE: September 11, 2000

DOCKET NO. **P5639/ES-00-1123**

ORDER APPROVING CERTIFIED 911
SYSTEM COSTS

BACKGROUND

On November 24, 1981, the Minnesota Public Utilities Commission (the Commission) approved Houston County's final plan for the establishment of a 911 Emergency Telephone System.

On September 13, 1985, the Commission approved actual cost incurred by Spring Grove Cooperative Telephone Company for installing a portion of the Central Office Equipment needed to switch calls to the 911 Emergency Services System in Houston County.

On September 26, 1985, the Commission approved actual costs incurred by Northwestern Bell Telephone Company for installing a portion of the Central Office Equipment needed to switch calls to the 911 Emergency Services System in Houston County.

On January 29, 1986, the Commission approved actual costs incurred by Ace Telephone Association for installing a portion of the Central Office Equipment needed to switch calls to the 911 Emergency Services System in Houston County.

On August 22, 2000, the Commission approved actual costs incurred by Independent Emergency Services, Limited Liability Company for installing a portion of Automatic Number Identification (ANI) system in the 911 Emergency Services system in Houston County.

On August 29, 2000, the Commission approved actual costs incurred by Kasson Mantorville Telephone Company for installing interexchange circuits for a portion of ANI in the 911 Emergency Services system in Houston County.

CURRENT FILING

On January 18, 2000, Ace Link Telecommunications (Ace Link) installed two 911 interexchange circuits from Caledonia to the Kasson Exchanges for enhanced 911 Emergency service with ANI.

On August 9, 2000, Ace Link certified the actual costs it incurred for the provision of ANI service.

Ace Link is now requesting Commission approval of the actual ANI system costs. Commission approval is necessary before the Department of Administration (DOA) will make payments for 911 system costs.

FINDINGS AND CONCLUSIONS

Minn. Stat. Section 403.11, subd. 3 states:

Subd. 3 (METHOD OF PAYMENT; CERTIFICATION.) A public utility incurring reimbursable costs under subdivision 1 or 2 shall certify those costs to the commissioner of administration. The certification shall be in a form as prescribed by the commissioner after consultation with the public utilities commission. If the commissioner and the commission approve the certified costs as appropriate and accurate, the commissioner shall pay the certified costs from money appropriated for that purpose within 90 days following receipt by the commissioner of the certified costs. The commissioner of administration shall estimate the amount required to reimburse public utilities for the state's obligations under subdivisions 1 and 2 of this section and the governor shall include the estimated amount in the biennial budget request.

Ace Link Telecommunications has certified, in writing, that the elements of 911 services and associated costs indicated on Attachment A, reflect only charges for services actually rendered in the direct provision of 911 service in Houston County.

All charges listed on Attachment A are in accordance with the Company's tariffs.

The Commission finds that the costs for 911 Emergency Telephone Service in Houston County which have been certified by the Company are appropriate and accurate.

ORDER

1. The costs identified on Attachment A accompanying this Order are approved as appropriate and accurate pursuant to the Commission's March 21, 2000 Standing Order Designating Filings Requesting Certification of 911 Costs As Filings Subject to Approval Under Minn. Stat. § 216A.03, Subd. 7, Docket No. P-999/CI-99-1723.
2. This Order does not approve payment of any 911 system costs. Any possible future approval of payment for system costs shall be granted by the Commissioner of the Department of Administration in accordance with the provisions of Minn. Stat. Section 403.11.
3. This Order shall become effective immediately.
